Systematic Transfer Plan	Systematic Transfer Plan helps you replicate a Rupee cost averaging method on your Annualised Premium. It is available with Single Pay and Annual Premium Payment Mode in 5 Pay and Regular Pay. Under Systematic Transfer Plan option, the Annualised / Single Premium received net of Premium Allocation Charge shall be allocated first to the Secure Plus Fund to purchase Units. Immediately thereafter and on each subsequent monthly anniversary, Fund Value of [I / (13 - month number in the policy year)] of the Units available at the beginning of the month shall be Switched to Growth Super Fund automatically by cancelling Units in the Secure Plus Fund, and purchasing Units in the Growth Super Fund.							
Dynamic Fund Allocation	Dynamic Fund Allocation option is an investment strategy which in early part of your Policy Term invests in equity oriented funds and as your Policy Term progresses it shifts the fund allocation towards more conservative funds. You can opt for Dynamic Fund Allocation option only at the inception of policy. Under this option, Assets Under Management shall be maintained amongst Growth Super Fund and Secure Fund in a pre - defined proportion that changes depending upon the years left to maturity.							
Settlement Option	You may, at least 15 days prior to the Maturity Date, opt for a Settlement Option, pursuant to which the Company will continue to manage the Funds for you for a maximum period of 5 years from the Maturity Date and make periodic payments. During the settlement period, Fund Management Charges shall continue to be levied. There shall be a risk cover equal to 105% of the total premiums paid and mortality charges will be deducted basis the sum at risk. You may exercise switch option during settlement.							
Surrender	Where the product acquires a surrender value during the first five years, on receipt of intimation that you wish to surrender the policy during the first five years, the fund value including top-up fund value, if any, after deduction of applicable discontinuance charge, shall be transferred to the discontinued policy fund. The surrender value equivalent to the Discontinued Policy Fund Value shall become payable only after the completion of the lock-in- period. On surrender, after the lock-in period, the surrender value shall be at least equal to the fund value as on the date of surrender.							
Grace Period	In case the premium is not paid by the premium due date, a Grace Period of 30 days (15 days for monthly mode) from the due date of first unpaid premium will be allowed. During this Grace Period, the risk cover will continue and all charges under the policy will continue to apply.							
Free Look Period	You have a period of 15 days (30 days, if the policy is acquired through distance marketing) from the date of receipt of the Policy to review the Terms and Conditions of the Policy and where you disagree to any of those Terms and Conditions, you have the option to return the Policy stating the reasons for your objections, upon which you shall be entitled to an amount which will be equal to non - allocated premium plus charges levied by cancellation of units plus Fund Value at the date of cancellation, less charges deducted towards mortality and Rider Benefit (including all applicable taxes, cesses and levies as imposed by the Government on these charges) for the period of cover, expenses incurred on medical examination, if any, and on account of stamp duty.							
Option to reduce premium post lock-in*		r has an option to de um limit, only once p			the original Annualised Premium subject to the od.			

For more details on this option and various terms and conditions please refer the Prospectus available on www.maxlifeinsurance.com
